DETAILED ACTION

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. An attempt was made to contact Mr. Martin Moynihan on 4/6/2010 regarding an Examiner's Amendment.

The application has been amended to correct minor issues as follows:

Regarding claim 1, replace the word "a" in line 3 before the word "dehumidifier" with --the-- for clarity.

Regarding claims 25 and 26, replace the phrase "of said" in line 5 with --having-- for clarity.

Regarding claims 25 and 26, delete the word "said" in line 11, following the word "the" for clarity.

Allowable Subject Matter

2. Claims 1, 4-10, 25-30, 32, 34, 36-38, and 72-82 are allowed.

Statement of Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art does not anticipate nor render obvious the combination set forth in the independent claims, and specifically does not teach or suggest a dehumidifier or regenerator wherein the motion of air causes or contributes to causing at least one of the at least one dehumidifying section in a dehumidifier or a regenerating section in a regenerator to move among other things. Furthermore, it would not have been obvious, without impermissible

hindsight, to modify the prior art systems structurally to be able capable of utilizing the motion of air as claimed.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
